

Session Program

23-30 Aug 2015

4th International Conference on New Frontiers in Physics ICNFP2015

Plenaries: Session 1

Tuesday 25 August

08:30

Plenaries: Session 1

Session | **Convener:** Itzhak Tserruya

08:30–09:00

Space research and radiobiology at FAIR

Speaker

Radek Pleskac

09:00–09:30

Experimental techniques and methods in hadron spectroscopy

Speaker

Frank Nerling

09:30–10:00

Proton structure and PDFs from HERA

Speaker

Vladimir Chekelian

10:00–10:30

Central Exclusive production at hadron colliders

Speaker

Valery Khoze

10:30
