

Session Program

28 June 2015 to 2 July 2015

CEC-ICMC 2015 - Timetable, Abstracts and Presentations

C1PoL - Thermal Insulation

JW Marriott Starr Pass Resort
Tucson, Arizona USA

Monday 29 June

14:00

C1PoL - Thermal Insulation

Poster Session | Location: Exhibit Hall (Arizona Ballroom) | Conveners: Kathleen Amm, David Plachta

Multi-Layer Aerogel Insulation for Cryogenic Applications

Speaker
Dr Shannon White

New measurements of multilayer insulation at variable cold temperature and elevated residual gas pressures

Speaker
Thomas Funke

Design and performance of a 3D printed liquid hydrogen tank with vapor cooled shielding for use in unmanned aerial vehicles

Speaker
Mr Patrick Adam

Flat Plate Boiloff Calorimeters for Testing of Thermal Insulation Systems

Speaker
James Fesmire

Cylindrical Boiloff Calorimeters for Testing of Thermal Insulation Systems

Speaker
James Fesmire

16:00
