

Session Program

23-24 Feb 2015

inverted CERN School of Computing 2015

Development of High Performance Computing Applications Across Heterogeneous Systems

CERN, 31/3-004 - IT Amphitheatre
31/3-004

Tuesday 24 February

11:00
12:00
16:00
17:00

Development of High Performance Computing Applications Across Heterogeneous Systems

Session | Location: CERN, 31/3-004 - IT Amphitheatre, 31/3-004

11:00-12:00 Scalable Parallel Computing

Speaker
André Pereira

Development of High Performance Computing Applications Across Heterogeneous Systems

Session | Location: CERN, 31/3-004 - IT Amphitheatre, 31/3-004

16:00-17:00 Frameworks to Aid Code Development and Performance Portability

Speaker
André Pereira
