

Session Program

8-11 Jun 2015

Fifth NExT PhD Workshop: Higgs and Beyond

Research presentations by participants 1

The Cosener's House, Abingdon
15-16 Abbey Close, Abingdon, Oxfordshire OX14 3JD, United Kingdom, +44 1235 523198

Thursday 11 June

11:15

Research presentations by participants 1

Session |

Location: The Cosener's House, Abingdon, 15-16 Abbey Close, Abingdon, Oxfordshire OX14 3JD, United Kingdom, +44 1235 523198

11:15-11:30

Callum Kilby (RHUL): Higgs production in association with top quark pairs: interest and challenges

11:30-11:45

Karl Nordstrom (Glasgow): hhjj production at the LHC

11:45-12:00

Emine Yildirim (Soton): Model building and phenomenology of a composite 2-Higgs doublet model

12:00
