

# TEDx CERN

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

EPPCN Autumn Meeting  
6 November 2011

# Forward: Charting the future with science

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

# We wanted to get science on the agenda

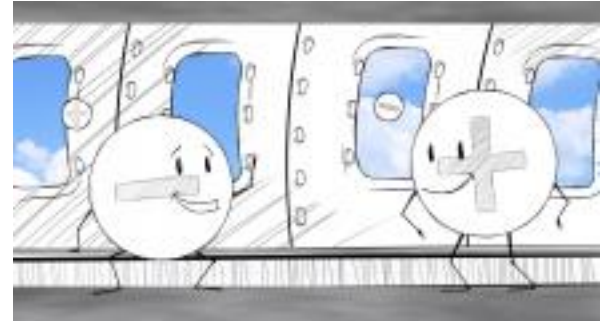

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

# Controversial topics: nano, GM, nuclear

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

CERN specific content limited by design

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

## Meaty science and policy

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

## Meaty science and policy

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

## Inspirational speakers

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

And great entertainment

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

# Impact

Exploring the frontiers of knowledge  
*Explorer les frontières du savoir*

# Impact

- Audience: 1300 people from the Geneva region, 50% curated
- 15 institutes watching live
- Large influence from videos expected
- I think we impressed TED.
- Sponsored by Rolex CERN
