

Session Program

19 November 2014

NExT Meeting at Sussex

Session II - Challenges to lepton universality

University of Sussex, Pevensey I 1A7
Brighton

Wednesday 19 November

15:00

Session II - Challenges to lepton universality

Session | **Location:** University of Sussex, Pevensey I 1A7, Brighton

15:00–15:30

Status and challenges for rare decays in LHCb

Speaker

Ulrik Egede

15:30–16:00

A challenge to lepton universality

Speaker

Gudrun Hiller

16:00
