

DISCRETE '08: Symposium on Prospects in the Physics of Discrete Symmetries

Contribution ID: 122

Type: **not specified**

The relationship between Leptogenesis and low energy observables

Saturday 13 December 2008 17:15 (20 minutes)

TBD

Author: Mrs REBELO, Margarida N. (IST Lisbon)

Presenter: Mrs REBELO, Margarida N. (IST Lisbon)

Session Classification: Parallel Session B. Neutrino mass mixing and CP-I
