

ACAT 2008

Advanced Computing and Analysis Techniques in Physics Research

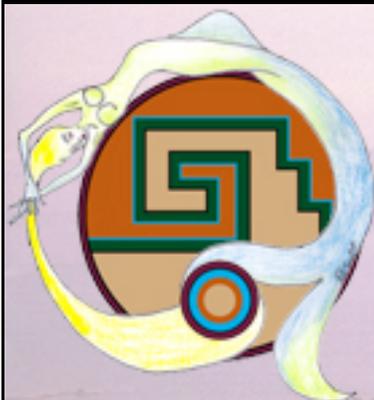

ACAT 2008

Erice, Sicily

Introduction

Federico Carminati

XII ACAT Workshop
3-7 november, 2008
Ettore Majorana Centre
for Scientific Culture
Erice, Sicily

ACAT 2008

Advanced Computing and Analysis Techniques in Physics Research

Welcome!

03/11/08

fca @ ACAT2008

XII ACAT Workshop
3-7 november, 2008
Ettore Majorana Centre
for Scientific Culture
Erice, Sicily

Location of the Sessions

ACAT 2008

Advanced Computing and Analysis Techniques in Physics Research

P.A.M. Dirac Lecture Hall
S. Domenico
Plenary & Parallel Track 2

R.P. Feynman Lecture Hall
S. Rocco
Parallel Track 3

E. Fermi Lecture Hall
S. Francesco
Parallel Track 1

XII ACAT Workshop
3-7 november, 2008
Ettore Majorana Centre
for Scientific Culture
Erice, Sicily

Food ...

ACAT 2008

Advanced Computing and Analysis Techniques in Physics Research

- Lunch and dinner will be served at the restaurants indicated
- Breakfast is served at the centre for those who are not in hotels
 - At the bottom right of the courtyard
- Coffee breaks are served at the first floor above the main lecture hall in the morning
- Marsala is available in the evening at the centre (only when I am there :)
 - Rooms under the porch at the bottom of the courtyard

Segesta

Posters

ACAT 2008

Advanced Computing and Analysis Techniques in Physics Research

- Posters will be exposed upstairs
 - Where the coffee breaks are
- There is no dedicated poster session
- You can hang your poster during coffee breaks
- T-shirts are available at the Centre
 - For free – but please take **ONLY ONE**
