## Wednesday, 5 November 2008

### Methodology of Computations in Theoretical Physics - Session 2 (16:10 - 18:15)

time	[id] title	presenter
16:10	[207] Numerical calculations of Multiple Polylog functions	Dr KURIHARA, Yoshimasa
16:35	[170] New results for loop integrals	RIEMANN, Tord
17:00	[38] Feynman Diagrams, Differential Reduction and Hypergeometric Functions	Dr KALMYKOV, mikhail
17:25	Round Table - Event generation: are we ready for LHC?
