

# ACAT 2008

## Tuesday 4 November 2008

### Methodology of Computations in Theoretical Physics - Session 1 (14:00 - 15:40)

time	[id] title	presenter
14:00	[187] Tools for systematic event generator tuning and validation	Dr BUCKLEY, Andy
14:25	[41] The Monte Carlo generators in CMS	Dr BARTALINI, Paolo
14:50	[8] Development, validation and maintenance of Monte Carlo event generators and generator services in the LHC era	Dr KIRSANOV, Mikhail
15:15	[61] LCG MCDB and HepML, next step to unified interfaces of Monte-Carlo Simulation	Mr BELOV, Sergey
