

# International Conference on Precision Physics and Fundamental Constants

12-16 October 2015  
Budapest, Hungary

**Fundamental physical constants**  
**Precision measurements in fundamental physics, astrophysics and cosmology**  
**Tests and extensions of the Standard Model of elementary particles**  
**Quantum electrodynamics of bound systems**  
**Spectroscopy of exotic atoms**  
**Quantum standards**

(Joining the Year of Light programme in Hungary)

## Call for Abstracts

Abstract submission deadline: 30 September 2015

## Registration
