

Session Program

16-19 Sept 2008

cHarged 2008 - Prospects for Charged Higgs Discovery at Colliders

Contributed talks - Experiment

Gustavianum, Uppsala, Auditorium Minus
Akademigatan 3 753 10 Uppsala

Wednesday 17 September

14:00

Contributed talks - Experiment

Session | Location: Gustavianum, Uppsala, Auditorium Minus, Akademigatan 3 753 10 Uppsala

14:00-14:15 **ATLAS Trigger Performance and Initial Running**

Speaker

Frank Winklmeier

14:20-14:35 **Status and performance of the ATLAS tau trigger**

Speaker

Richard Brenner

14:40-14:55

Tau Lepton Reconstruction and Identification with the ATLAS Detector at the LHC

Speaker

Aldo Saavedra

15:00-15:15 **Tau Lepton Reconstruction and Identification with CMS**

Speaker

Letizia Lusito

15:20-15:35 **Hadronic tau jet reconstruction with particle flow algorithm at CMS**

Speaker

Lauri Andreas Wendland

15:40-15:55 **Indirect Searches from BABAR**

Speaker

Steven Robertson

16:00
