

**Session Program**

**16-19 Sept 2008**

**cHarged 2008 - Prospects for Charged Higgs  
Discovery at Colliders**

***Morning session***

Gustavianum, Uppsala, Auditorium Minus  
Akademigatan 3 753 10 Uppsala

## Tuesday 16 September

09:10

### Morning session

**Session** | **Location:** Gustavianum, Uppsala, Auditorium Minus, Akademigatan 3 753 10 Uppsala

09:10–09:40

#### Non-minimal models with charged Higgs bosons

**Speaker**

Stefano Moretti

09:45–10:15

#### Higher order corrections to spectrum generators and decay packages

**Speaker**

Sven Heinemeyer

10:20–10:50

#### Coffee Break

10:50–11:20

#### Higher order corrections to $H^+$ production

**Speaker**

Nikolaos Kidonakis

11:25–11:55

#### Indirect limits on charged Higgs bosons and their model dependence

**Speaker**

Ahmed Ali

12:00–12:30

#### Charged Higgs searches with CDF

**Speaker**

Geumbong Yu

12:40
