

Feedback after the Virtual Visit with Egypt, 27th Oct. 2014:

- Mohamed Osama: Perfect work from a great university and brilliant students. Really, i am grateful to each one who helped in the success of this unique event. For the love of Physics, the best is yet to come!
- Moataz Kamara: It was very interesting and I had a lots of benefits from it. I wish to see more events like this, go a head.
- Ahmed AbuoYusuf: It was very great and fantastic organize.
- Mohamed Massry: It was awesome. It will be better if you use animation beside the tour too.
- Mohamed Kassr: It was a good chance to go downward 100 m and see this huge detector in its cavern with out leaving my set. It was great to me as an organizer to find all audiences were happy after we finish.
