

Session Program

8-10 Apr 2015

FCPPL2015

Development

University of Science and Technology of China
Jinzai Road 96#, Hefei, Anhui, CHINA

Wednesday 8 April

11:00

Development

Session | **Location:** University of Science and Technology of China, Jinzai Road 96#, Hefei, Anhui, CHINA |
Conveners: Fabio Hernandez, Gang Chen, Prof. Meng WANG, Prof. Olivier Napoly

11:00–11:20

Developments toward ultra-granular ECAL's for future EP colliders

Speaker

Dan YU

11:20–11:40

GRPC R&D for the high eta CMS muon detectors

Speaker

Prof. Laktineh Laktineh

11:40–12:00

R&D on positron and electron beams for future colliders

Speaker

Robert Chebab

12:00–12:20

Distributed computing R&D: status and perspectives

Speaker

Fabio Hernandez

12:20
