

Session Program

23-24 Mar 2015

26th FCAL Collaboration Workshop

***Special Technical Session on Compact
Assemblies: Mechanics, Sensors, Connectivity
and Electronics***

CERN

Tuesday 24 March

14:00

Special Technical Session on Compact Assemblies: Mechanics, Sensors, Connectivity and Electronics

Session | Location: CERN, 160/1-009

14:00-14:15

Status of tungsten plate production in Russia

Speaker

Mikhail Demichev

14:20-14:40

Recent progress on compact assemblies at TAU

Speaker

Yan Benhammou

14:40-15:00

Frontend Contact Technologies

Speaker

Mr Hans Henschel

16:00
