

## **Session Program**

**19-21 Mar 2015**

**PicoSEC-MCNet training on medical image  
processing**

***PicoSEC-MCNet training on medical image  
processing***

Munich, TUM, 03.13.010  
Boltzmannstraße 3, 85748, Garching bei München

# Thursday 19 March

13:30

## PicoSEC-MCNet training on medical image processing

**Session** | **Location:** Munich, TUM, 03.13.010, Boltzmannstraße 3, 85748, Garching bei München

13:30–14:00 **Registration and welcome**

**Speaker**

Benjamin Armand Frisch

14:00–15:00 **Value Proposition and Customer Segments**

**Speaker**

Mr Harald Jenull

15:00–16:00 **Experience in medical StartUp**

**Speaker**

Dr Wolfgang Wein

16:00–16:20 **Coffee break**

16:20–17:20 **Experience in medical StartUp**

**Speaker**

Dr Amin Katouzian

17:20–18:20 **Software development in medical startups**

**Speaker**

Stefan Wiesner

18:20–19:00 **Q&A session with experts**

19:00

## Friday 20 March

08:30

### PicoSEC-MCNet training on medical image processing: PicoSEC-MCNet training on medical image processing

**Session** | **Location:** Munich, TUM, 03.13.010, Boltzmannstraße 3, 85748, Garching bei München

08:30–10:00 **Image processing basics: Matlab and Filtering**

10:00–10:20 **Coffee break**

10:20–11:50 **Image Segmentation**

11:50–12:30 **Lunch break**

12:30–14:00 **Image registration**

14:00–14:20 **Coffee break**

14:20–16:00 **Image Reconstruction**

16:00–16:30 **Debriefing**

16:30
