

# Top2015 - 8th International Workshop on Top Quark Physics

## Tuesday, 15 September 2015

### Session 5: Top-pair cross section (09:00 - 10:30)

-Conveners: Marco Rescigno; Francesco Tramontano

time	[id] title	presenter
09:00	[15] Latest theory developments for top pair production, generators and showering	RE, Emanuele
09:30	[16] Inclusive top pair production at 7, 8 and 13 TeV in CMS	CRUCY, Shannon
10:00	[17] Inclusive top pair production at 7, 8 and 13 TeV in ATLAS	GLATZER, Julian

### Session 5: Top-pair cross section (11:00 - 12:00)

-Conveners: Marco Rescigno; Francesco Tramontano

time	[id] title	presenter
11:00	[66] Differential cross section measurements at the LHC (as a function of kinematics variables)	HINDRICHS, Otto
11:30	[67] Differential cross section measurements at the LHC (final state objects: gap fraction, vs njets,... including tt+HF)	DANNINGER, Matthias
