

## **Session Program**

**25-27 Sept 2006**

**HG2006**

***Theory and computation***

CERN European Organization for Nuclear Research, 40/S2-B01  
Meyrin Switzerland

# Monday 25 September

14:00

## Theory and computation

Session | Location: CERN European Organization for Nuclear Research, 40/S2-B01, Meyrin Switzerland

14:00-14:30 **Developments in rf breakdown theory since AAC06**

**Speaker**

Prof. Perry Wilson

14:30-15:00 **Traveling-wave breakdown limit scaling**

**Speaker**

Dr Walter WUENSCH

15:00-15:30 **Breakdown theory**

**Speaker**

Mr Jim Norem

15:30
