

Session Program

7-9 Jan 2015

ZPW2015: The flavour of new physics

Beauty and Charm physics beyond the SM

University of Zurich, KOL-F-121
Ramistrasse 71, Zurich

Thursday 8 January

09:00

Beauty and Charm physics beyond the SM

Session | **Location:** University of Zurich, KOL-F-121, Ramistrasse 71, Zurich

09:00–09:30 **LHCb results on CPV**

Speaker

Vincenzo Vagnoni

09:35–10:05 **B-meson mixing within and beyond the SM**

Speaker

Ulrich Nierste

10:10–10:40 **Flavor Physics beyond the SM**

Speaker

Jennifer Girrbach

10:40

11:10

Beauty and Charm physics beyond the SM

Session | **Location:** University of Zurich, KOL-F-121, Ramistrasse 71, Zurich

11:10–11:40 **Flavor physics in supersymmetric extensions of the SM**

Speaker

Dr David Straub

11:45–12:15 **Recent progress in charm Physics**

Speaker

Luca Silvestrini

12:20–12:50 **SU(3)F breaking in Charm Physics**

Speaker

Stefan Schacht

13:00
