University of Oxford  
• APS Physics

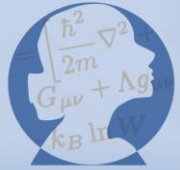

# CUWIP UK has been fantastic

We have received 227 applications from over 40 universities in the UK and Ireland and admitted just over 100

OXFORD March 2015

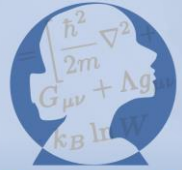

# WE HAD SOME GOOD TIME AND VERY GOOD PHYSICS

# Surveys

- Fill out the conference post-survey
  - Hopefully today
- Improve the conferences and impact of these events on the next generation of women in physics.
  - As physicists we love and need data!
- Report results to our funding agencies and the broader physics community.
- Essential for the continued funding of these conferences
- Your input is treated confidentially  
(you can decline to participate if you feel you do not want your data used)

## SAFE TRAVELS
