

## Summary of the WLCG Collaboration workshop 21-21 March

*Thursday, 26 March 2009 11:30 (30 minutes)*

This talk will summarize the main points that were discussed - and where possible agreed - at the WLCG Collaboration workshop held in Prague during the weekend immediately preceding CHEP.

The list of topics for the workshop include:

- \* An analysis of the experience with WLCG services from 2008 data taking and processing;
- \* Requirements and schedule(s) for 2009;
- \* Readiness for 2009

### **Presentation type (oral | poster)**

oral
