Equipment Information

| | |
|-----------------------|-----------------------------------|
| Equipment ID | 00000000000000 |
| Description | equipment for tests |
| Other ID | 0000 |
| Registration Date | 2008/10/01 15:54:58 |
| Equipment Responsible | LHEVORA Change |
| ATLAS System | Vacuum beam |
| Equipment Type | Standard Type New |
| Weight (kg) | 162 |
| Material | Steel |
| Length [mm] | 7 |
| Width [mm] | 240 |
| Height [mm] | 385 |

Position

Current Position: BLDG 3179 [Set original position](#)

New position: [Set destination](#)
