

# Quark Matter 2015 - XXV International Conference on Ultrarelativistic Nucleus-Nucleus Collisions

## Tuesday 29 September 2015

### Open Heavy Flavors and Strangeness III - Convention room 1 (09:00 - 10:20)

-Conveners: Zaida Conesa Del Valle

time	[id] title	presenter
09:00	[375] PHENIX measurement of $b\bar{b}$ production in $pp+pp$ collisions	SEN, Abhisek
09:20	[455] Measurements of heavy-flavour production in p-Pb collisions with ALICE	WILKINSON, Jeremy
09:40	[522] Heavy-flavour correlations and multiplicity dependence in pp and p-Pb collisions with ALICE	COLAMARIA, Fabio Filippo
10:00	[328] Medium-effects on heavy-flavour production in large and small systems	BERAUDO, Andrea
