

# Quark Matter 2015 - XXV International Conference on Ultrarelativistic Nucleus-Nucleus Collisions

## Tuesday 29 September 2015

### Quarkonia II - KFM Hall "IO" (09:00 - 10:20)

-Conveners: Min Jung Kweon

time	[id] title	presenter
09:00	[368] PHENIX measurement of the collision system and multiplicity dependence of heavy quarkonia production	FRAWLEY, Anthony
09:20	[499] Charmonium production in Pb-Pb collisions with ALICE at the LHC	PEREIRA DA COSTA, Hugo Denis Antonio
09:40	[488] Upsilon production measurements in pp, p-Pb and Pb-Pb collisions with ALICE	DAS, Indranil
10:00	[282] In-medium quarkonium properties from a lattice QCD based effective field theory	ROTHKOPF, Alexander
