

Quark Matter 2015 - XXV International Conference on Ultrarelativistic Nucleus-Nucleus Collisions

Friday 2 October 2015

Plenary Session VI - Atrium plaza (11:00 - 12:30)

-Conveners: Dinesh Srivastava

time	[id] title	presenter
11:00	[94] Initial state of the HIC: thermalization and isotropization	KURKELA, Eero Aleksi
11:30	[95] Gravitational collapse, holography and hydrodynamics in extreme conditions	CHESLER, Paul
12:00	[96] Analytic approaches to relativistic hydrodynamics	HATTA, Yoshitaka
