

# Quark Matter 2015 - XXV International Conference on Ultrarelativistic Nucleus-Nucleus Collisions

## Monday 28 September 2015

**QGP in Small Systems I - Exhibition Space 2-B (17:00 - 19:00)**

-Conveners: Jiangyong Jia

time	[id] title	presenter
17:00	[554] Direct photon production and jet quenching in small systems	Prof. GALE, Charles
17:20	[188] Flow in small systems from parton scatterings	MA, Guo-Liang
17:40	[410] Effects produced by multi-parton interactions and color reconnection in small systems	PAIC, Guy
18:00	[694] Differential multi-particle correlation measurements for pPb collisions at CMS	WANG, Quan
18:20	[457] Light flavour results in p-Pb collisions with ALICE	ORTIZ VELASQUEZ, Antonio
18:40	[369] PHENIX results on collectivity in $^3\text{He}+\text{Au}$ collisions	HUANG, shengli
