

## **Session Program**

**27 September 2015 to 3 October 2015**

# **Quark Matter 2015 - XXV International Conference on Ultrarelativistic Nucleus-Nucleus Collisions**

## ***Plenary Session VIII***

Kobe, Fashion Mart, Japan

# Saturday 3 October

09:00

## Plenary Session VIII

**Session** | **Location:** Atrium plaza | **Convener:** William Zajc

09:00–09:30 **Neutron star mergers, high density EoS, and gravitational waves**

**Speaker**  
Masaru Shibata

09:30–10:00 **Gluon saturation and EIC**

**Speaker**  
Ernst Sichtermann

10:00–10:20 **Prospects of LHCb in heavy ion physics**

**Speaker**  
Giulia Manca

10:20–10:50 **Future of Heavy Ion Physics**

**Speaker**  
Shoji Nagamiya

10:50
