

Quark Matter 2015 - XXV International Conference on Ultrarelativistic Nucleus-Nucleus Collisions

Wednesday 30 September 2015

Electromagnetic Probes I - Exhibition Space 2-B (09:00 - 10:20)

-Conveners: Charles Gale

time	[id] title	presenter
09:00	[173] Thermal photons from a modern hydrodynamical model of heavy ion collisions: status of the direct photon puzzle	PAQUET, Jean-Francois
09:20	[545] Jet fragmentation photons in ultrarelativistic heavy-ion collisions	HATTORI, Koichi
09:40	[366] PHENIX measurements of thermal photon production in Au+Au collisions	Dr PETTI, Richard
10:00	[287] Direct Photons in Pb-Pb collisions with ALICE	SAHLMULLER, Baldo
