Network Connection Request Forms - External Visitor's Computer Registration

Consult the "Portable computers at CERN: Visitors" page for more information

This registration page applies for short term **external** visitors (i.e. people from external companies, etc.) willing to make use of the CERN campus network with their own computer during their visit.

This does not apply to "CERN users", neither CERN physicists having an account at CERN, nor to any member of the CERN personnel.

- ○ I am an external visitor and want to register **my** portable.
- ○ I want to register a computer on behalf of someone else.

---

You intend to visit CERN, and want to make use of the CERN network infrastructure with a Portable PC or MAC you will bring with you onsite. Before you can get access to the CERN network, you need to fill this form and get approval from your CERN contact person (CERN staff, fellow or contract personnel).

During your stay, you are required to follow the "CERN Rules and Regulations", available by CLICKING HERE.

Please fill in requested fields. Mandatory fields are marked with (*). Please do not forget to submit your request by selecting the **'Send Request'** button at the end of this page. HELP is available by selecting the links on this page.

Please do not use this form if you are a CERN employee, if this is the case you should use the Register Portable facility of the Network Request web interface.
