Prospects of the high luminosity LHC from CMS and ATLAS

Saturday 25 July 2015 11:55 (15 minutes)

Prospects for the high luminosity LHC will be given in the fields of Higgs physics and SUSY searches. The prospects will be presented for ATLAS and CMS.

Author: MEYER, Arnd (Rheinisch-Westfaelische Tech. Hoch. (DE))

Presenter: TRICOMI, Alessia (Universita e INFN, Catania (IT))

Session Classification: Higgs and New Physics

Track Classification: Higgs and New Physics
