

LISHEP2009-International School on High Energy Physics - Session C - Workshop on Forward Physics, Exotica and Associated Technologies at LHC

Monday, January 19, 2009 - Saturday, January 24, 2009

Universidade do Estado do Rio de Janeiro

Scientific Program

The topics of Session C will concentrate on the following Topics of LHC Experiments.
Forward Physics and Diffraction -Focus on LHC results mainly.
Electroweak Break - Higgs
CP-Violation and Rare Decays
Heavy Flavor Physics
New Physics - Beyond Standard Model
Advances in Instrumentation and Computing for HEP
