

Session Program

12-13 Jan 2015

Compact muon sources

Session 3: Condensed matter μ SR / New Techniques

University of Huddersfield, Buckley Lecture Theatre

Tuesday 13 January

09:00

Session 3: Condensed matter μ SR / New Techniques

Session | **Location:** University of Huddersfield, Buckley Lecture Theatre

09:00–09:25

Muons for condensed matter research

Speaker

Tom Lancaster

09:25–09:50

Muon spectroscopy of photo-excited states

Speaker

Alan Drew

09:50–10:15

Low energy muons at PSI

Speaker

Thomas Prokscha

10:15–10:40

Low energy muons using laser ionisation

Speaker

Katsuhiko Ishida

10:40–10:50

Discussion

10:50
