

Outline of Final FCC Presentation

– Parameters

Intro and general parameters:

hannah.harrison@physics.ox.ac.uk;

– Lattice Options

Scaling

christopher.arran@physics.ox.ac.uk;

–Magnet Options

Dipole

robert.shaloo@physics.ox.ac.uk;

Quadrupole

a.artecheg@gmail.com ;

- RF

Design choices

talitha.bromwich@physics.ox.ac.uk

Models

huibo.zhang@physics.ox.ac.uk;

– Synchrotron Radiation (mehpare.atay@physics.ox.ac.uk;))

– List of limitations (Energy – Intensity –Instabilities – Physics potential)

robert.williamson@physics.ox.ac.uk;

– Conclusions and Further work.
