fls2006.desy.de

Chairman: Jörg Rossbach (DESY), Kwang-Je Kim (ANL)
Scientific Program Chair: Winni Decking (DESY)
Workshop Secretary: Christel Oevermann (DESY)
Editing & SPMS setup: Michaela Marx (DESY)

- 16 Plenary Talks
- 12 Poster Presentations
- 5 Working Groups
- 148 Participants: 110 Abstracts: 10 Papers, 110 Oral Contributions (Transparencies)

Preliminary proceedings presented on the web just after the Workshop.
Contribution submission deadline: 1 July 2006

First ICFA Workshop which joined JACoW to publish via the JACoW website.
SPMS (5.4) has been used for registration, abstract submission and paper processing.

3 Editors: Michael Abo-Bakr (BESSY), Volker Schaa (GSI), Michaela Marx (DESY).
Main work: Working group contributions (slides, ppt format) have been converted to PDF and uploaded to the database. New presentation type “Transparencies”.

Software: Acrobat 7.0, Distiller 7.0, PitStop 7.0

Problems: Animations, videos, overlapping graphics ► time consuming to fix
