

**Session Program**

**11-13 May 2015**

**Physics at the High-Luminosity LHC**

***SM physics and tools***

CERN, 4/3-006 - TH Conference Room

# Wednesday 13 May

14:00

## SM physics and tools

**Session** | **Location:** CERN, 4/3-006 - TH Conference Room

14:00–14:45 **Prospects for the progress of theoretical calculations (30'+15')**

**Speaker**

Kirill Melnikov

14:45–15:25

**PDF: future needs, and role of future LHC data in addressing them (25'+15')**

**Speaker**

Juan Rojo Chacon

15:25–16:05

**Perspectives for forward physics with electroweak bosons at LHCb (25'+15')**

**Speaker**

Philip Ilten

16:05–16:35

**Coffee**

18:00
