

Closing remarks

PROGRESS

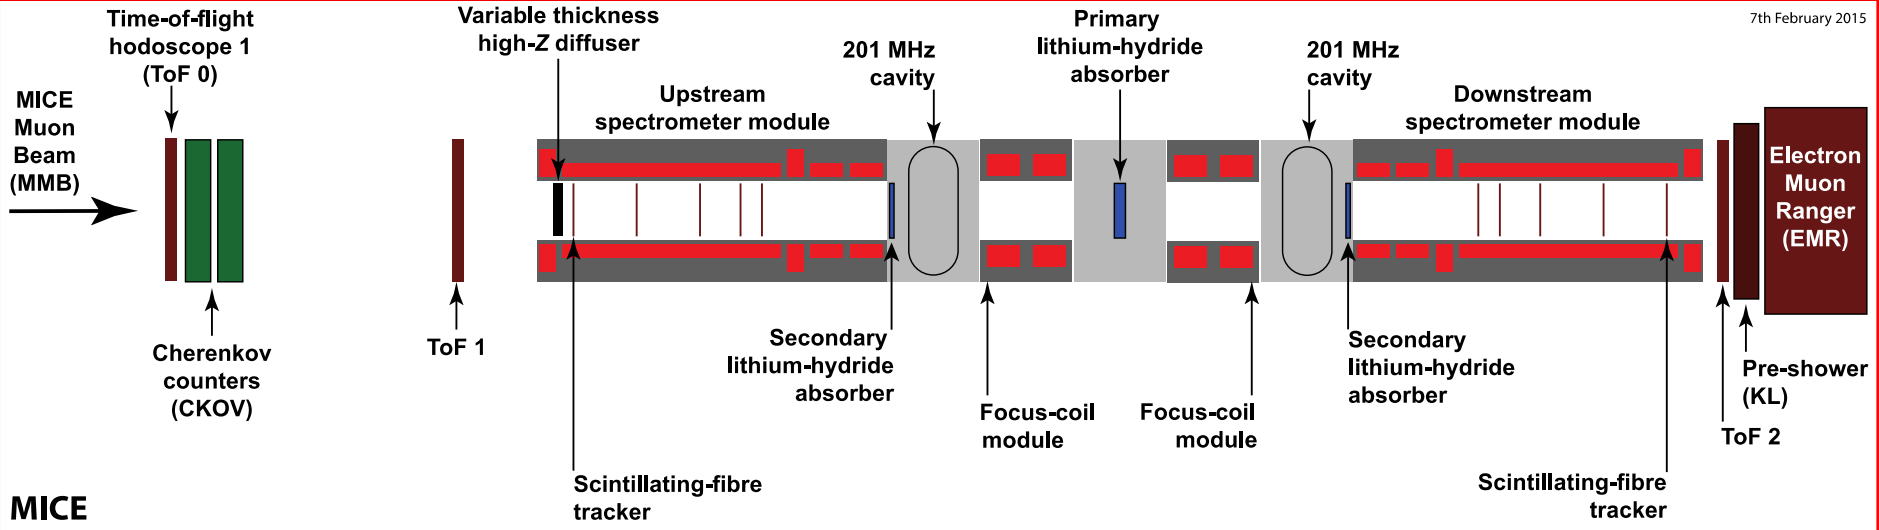

COMMISSIONING AND OPERATION

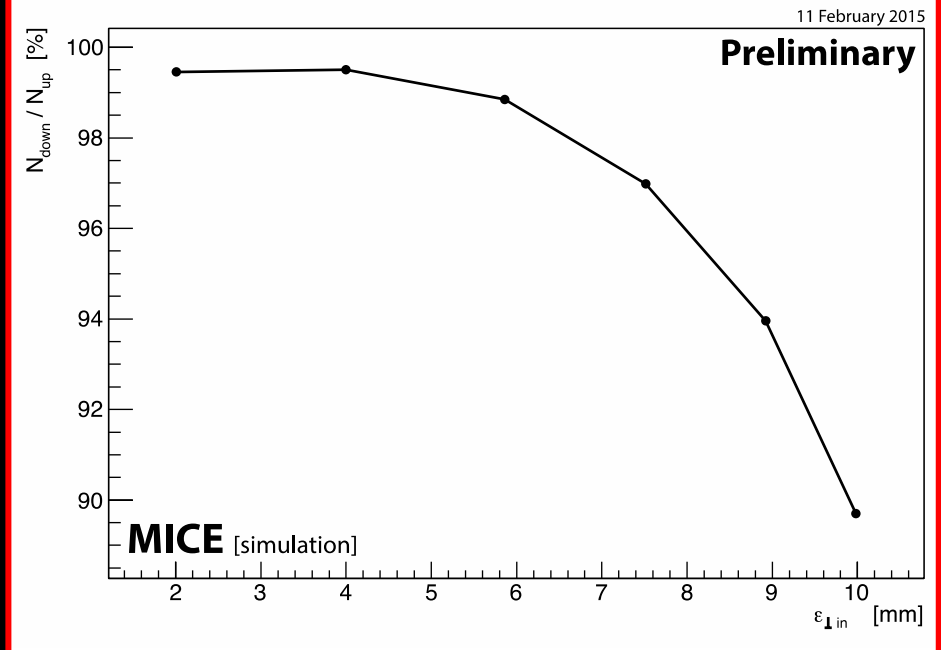

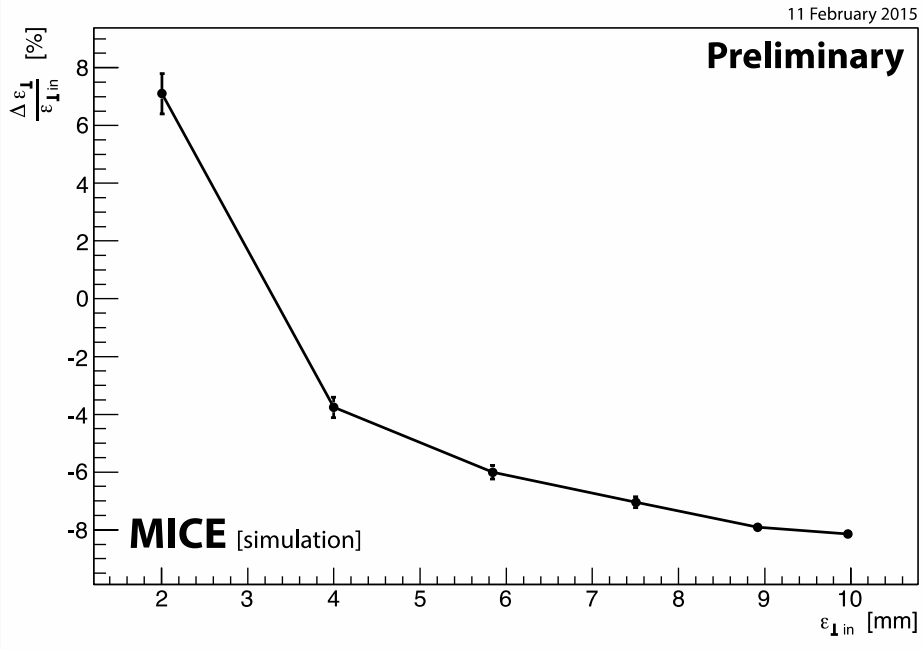

Commissioning and operation

- **Coordination ...**
 - **Absolutely critical!**
 - Operations/commissioning & construction
 - Inter operations/commissioning
 - **Critical roles/people listed in intro talk (so won't repeat)**
- **Planning ...**
 - **Absolutely critical!**
 - Operations/maintenance ... need to feed into job-card inbox
 - **Again, critical roles/people listed in intro talk**
 - **Upcoming operations:**
 - **08Mar15:**
 - Two shifts 08:00 – 24:00
 - **21Mar15 et. sec.:**
 - Weekend running
 - **02Jun15:**
 - Operations to train magnets and commission tracker with beam
- **... and ... flexibility**

COOLING DEMO PUBLIC PLOTS

MICE

NEXT VCs AND CMs

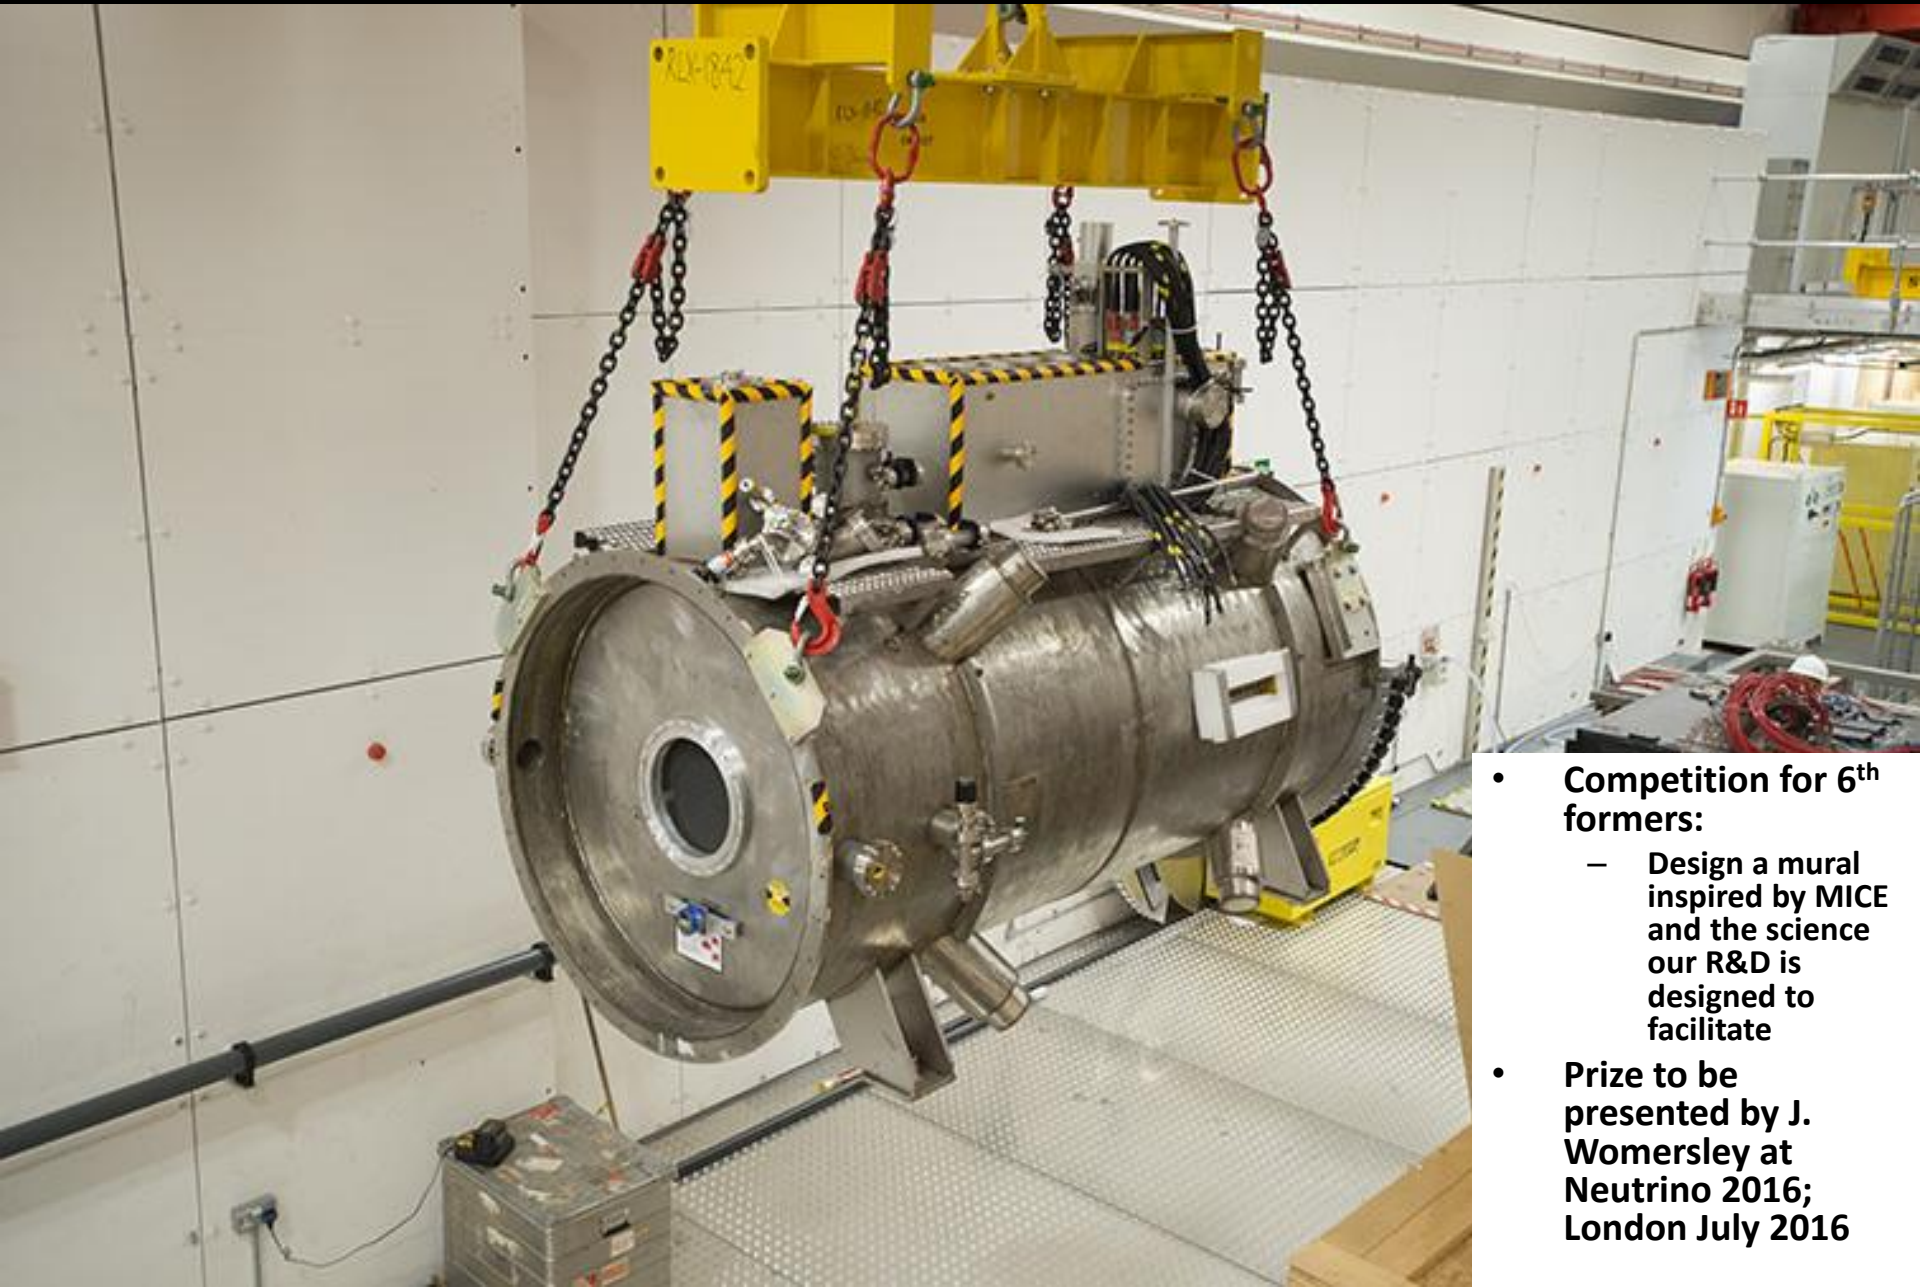

CMs and VCs:

- **CMs:**
 - **RAL: CM42 22nd to 24th June 2015**
 - **FNAL: CM43 28th to 31st October 2015**

- **VCs (thanks M. Uchida):**
 - **05Mar15**
 - **09Apr15**
 - **07May15**
 - **04Jun15**

PAINTING THE WALL

Painting the wall

- **Competition for 6th formers:**
 - Design a mural inspired by MICE and the science our R&D is designed to facilitate
- **Prize to be presented by J. Womersley at Neutrino 2016; London July 2016**

AND FINALLY ...

And finally ...

- Thanks to the local organisers:
 - Debbie Loader
 - Rose Hayes

- Thanks for coming and contributing;
 - “Safe travels” ... and ... watch out ...
 - The light at the end of the tunnel ...
 - Is the “Step IV data-taking train” coming the other way!
