

Session Program

13-16 Sept 2006

Prospects for Charged Higgs Discovery at Colliders

Invited theory review talks

Uppsala University, Gustavianum

Wednesday 13 September

09:05

Invited theory review talks

Session | **Location:** Uppsala University, Gustavianum

09:05–09:35

Theory of charged Higgs bosons in SUSY models

Speaker

Oliver Brein

09:40–10:10

Phenomenology of charged Higgs bosons in SUSY models

Speaker

Jaume Guasch

10:15–10:45

CP-violation effects in SUSY models

Speaker

Apostolos Pilaftsis

10:50–11:20

Coffee

11:20–11:50

Higher order corrections to charged Higgs production and decay processes

Speaker

Tilman Plehn

11:55–12:25

Charged Higgs bosons in ‘exotic’ models

Speaker

Katri Huitu

12:30
