

## **Session Program**

**13-16 Sept 2006**

# **Prospects for Charged Higgs Discovery at Colliders**

## ***Invited experimental talks***

Uppsala University, Gustavianum

# Wednesday 13 September

14:00

## Invited experimental talks

Session | Location: Uppsala University, Gustavianum

14:00–14:30 **Review of current limits from charged Higgs searches at LEP**

**Speaker**

Andre Sopczak

14:35–15:05 **Review of current indirect limits from B factories**

**Speaker**

Stephen J. Sekula

15:10–15:40 **Charged Higgs searches with D0**

**Speaker**

Dhiman Chakraborty

15:45–16:15 **Coffee**

16:15–16:45 **Charged Higgs searches with CDF**

**Speaker**

Ricardo Eusebi

16:50–17:20 **Charged Higgs prospects with ATLAS**

**Speaker**

Bjarte Mohn

17:25–17:55 **Charged Higgs prospects with CMS**

**Speaker**

Dr Ritva Kinnunen

18:00
