

# EDS Blois 2015: The 16th conference on Elastic and Diffractive scattering

## Saturday, 4 July 2015

### Forward physics and cosmic ray session I (11:10 - 13:00)

time	[id] title	presenter
11:10	[58] Review of CMS low-x results and prospects for Run 2	MISIURA, Maciej
11:40	[67] BFKL description of the jet gap jet cross section	ROYON, Christophe
12:05	[110] Double scattering production of two rho0 mesons in UPC	SZCZUREK, Antoni
