

Session Program

29 June 2015 to 4 July 2015

EDS Blois 2015: The 16th conference on Elastic and Diffractive scattering

Forward physics and cosmic ray session III

Borgo, Corsica
Club Belambra "Pineto" Lido de la Marana Route du Cordon Lagunaire 20290 Borgo France

Friday 3 July

11:10

Forward physics and cosmic ray session III

Session |

Location: Borgo, Corsica, Club Belambra “Pineto” Lido de la Marana Route du Cordon Lagunaire 20290 Borgo France

11:10-11:40

Twist analysis of proton structure functions in BFKL and BK framework

Speaker

Mariusz Sadzikowski

11:40-12:10

Twist expansion of forward Drell-Yan cross-section

Speaker

Tomasz Stebel

12:10-12:40

Large b behaviour in the CGC/saturation approach: BFKL equation with pion loops

Speaker

Prof. Genya Levin

13:00
