

EDS Blois 2015: The 16th conference on Elastic and Diffractive scattering

Monday, 29 June 2015

Exclusive processes and hadron structure session I (16:00 - 17:25)

time	[id] title	presenter
16:05	[59] Measurements of particle production and their correlations at the LHC with the ATLAS detector	PLOTNIKOVA, Elena
16:35	[95] Exclusive process review (COMPASS and HERMES)	RIEDL, Caroline Kathrin
17:05	[96] Discovering light-by-light scattering at the LHC	D'ENTERRIA, David
