

EDS Blois 2015: The 16th conference on Elastic and Diffractive scattering

Thursday 2 July 2015

Hard diffraction and CEP session III (15:30 - 16:50)

time	[id] title	presenter
15:30	[84] Diffractive photon production at LO and NLO using MC generators	KOHARA, Anderson Kendi
15:55	[86] Review of exclusive processes (H1/ZEUS)	RUSPA, Marta
16:25	[85] New results for central exclusive production of pion pairs and Higgs in pp collisions	LEBIEDOWICZ, Piotr
