

Session Program

8-11 Sept 2015

III Russian-Spanish Congress

Session 6

Santiago de Compostela

Wednesday 9 September

11:20

Session 6

Session | **Location:** Santiago de Compostela | **Convener:** Lev Lipatov

11:20–11:50

Signatures of parity violations in heavy ion collisions

Speaker

Vladimir Andrianov

11:50–12:10

PT symmetric classical and quantum cosmology

Speaker

Alexander Andrianov

12:10–12:30

Aspects of integrable deformations of strings in symmetric spaces and $AdS(5) \times S(5)$

Speaker

Prof. J. Luis Miramontes

12:30–12:50

Exact thick brane solutions in the model with several scalar fields

Speaker

Oleg Novikov

12:50–13:10

Cosmological Higgs-Axion interplay for a naturally small electroweak scale

Speaker

Oriol Pujolas Boix

13:10–14:30

Lunch

14:30
