

**Session Program**

**24-26 Jun 2015**

**CZ-SK ATLAS Physics Workshop 2015**

***Theory and BSM***

Olomouc  
Palacky University

# Thursday 25 June

13:30

## Theory and BSM: Theory and astroparticle

**Session** | **Location:** Olomouc, Palacky University

13:30-14:00

### The Effective Field Theory approach to the Higgs physics beyond the SM

**Speakers**

Josef Juran, Mikulas Gintner

14:00

15:30

## Theory and BSM

**Session** | **Location:** Olomouc, Palacky University

15:30-16:15

### Rare decays and supersymmetry

**Speakers**

Tomas Blazek, Tomas Blazek

16:15-17:00

### What if LHC finds nothing else?

**Speakers**

Adam Smetana, Adam Smetana

17:00
