

ACCELERATING ... YOU

Prof. Carsten P. Welsch

UNIVERSITY OF
LIVERPOOL

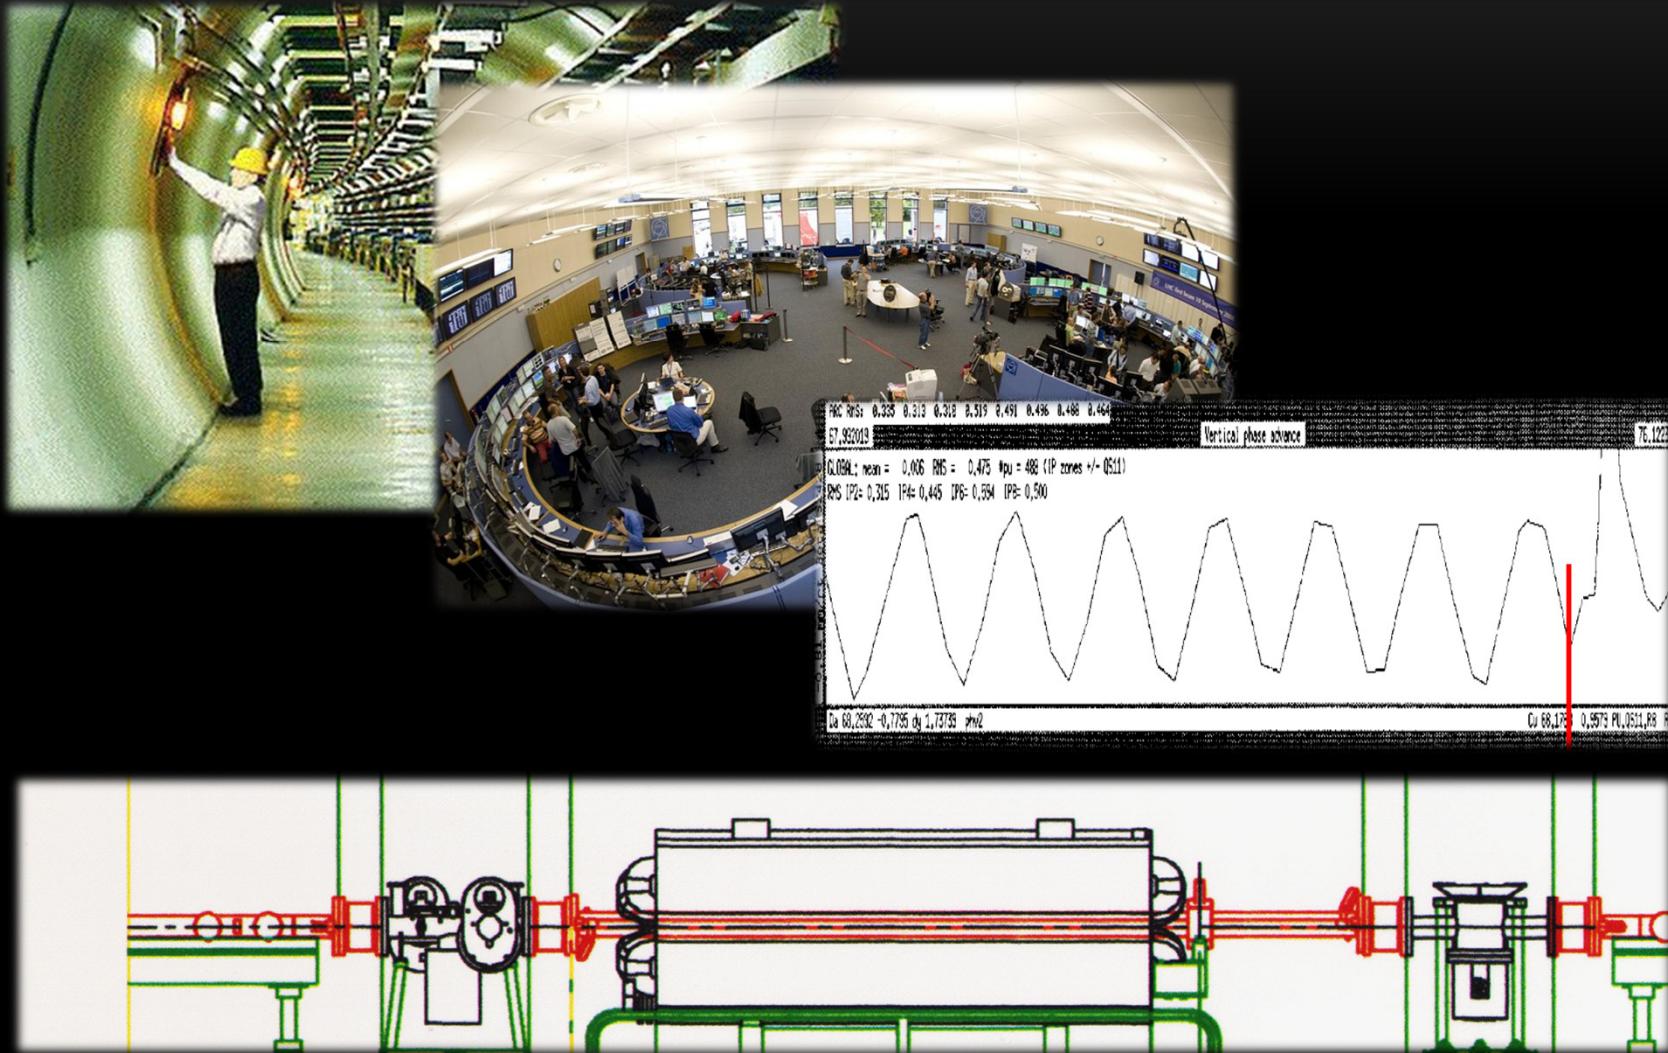

The Cockcroft Institute
of Accelerator Science and Technology

LASERS AND ACCELERATORS

- Key tools for fundamental science and a wide range of societal applications
- Optimization requires cross-sector, interdisciplinary R&D
- International collaboration enables large scale projects
- Also ideally suited for training through research
- *...are awesome !*

UNDERSTANDING YOUR MACHINE...

“Refreshing the parts other beers cannot reach”

TV Commercial (1974)

WHAT NEXT ??

PROF. CARSTEN P. WELSCH

MANY THANKS TO....

- Fellows
- Steering Committees
- Supervisors
- Partners
- Community
- Speakers !!

DR DAVID NEWTON (†2015)

To Dave.
