

Dark Matter: Astrophysical probes, Laboratory tests, and Theory aspects

Dark Matter:
Astrophysical probes,
Laboratory tests, and
Theory aspects

Feb 2015
Munich Institute for Astro- and Particle Physics

Contribution ID: 47

Type: **not specified**

Impact of neutrinos on direct dark matter searches

Friday, 20 February 2015 15:40 (20 minutes)

Presenter: GÜTLEIN, Achim (HEPHY)

Session Classification: DM and Neutrinos
