

Dark Matter: Astrophysical probes, Laboratory tests, and Theory aspects

Dark Matter:
Astrophysical probes,
Laboratory tests, and
Theory aspects

Feb 2015
Munich Institute for Astro- and Particle Physics

Contribution ID: 14

Type: **not specified**

Sterile Neutrino Dark Matter and New Light Mediators

Friday, 13 February 2015 11:30 (1 hour)

Presenter: SHUVE, Brian (Perimeter Institute)
