

Dark Matter: Astrophysical probes, Laboratory tests, and Theory aspects

Wednesday, 18 February 2015

BBN, CMB, 21cm, and ultra-compact mini halos (14:30 - 16:20)

time	[id] title	presenter
14:30	[36] BBN: Comments on light mediators and assumptions on the thermal history	PRADLER, Josef
15:00	[37] Ultra-compact DM minihalos	BRINGMANN, Torsten
15:30	[38] The nature of dark matter from the high-redshift HI 21 cm signal	EVOLI, Carmelo
16:00	[39] More on spectral distortions	CHLUBA, Jens
