

Session Program

4 March 2015

LHC students poster session

EW gauge bosons

CERN, Restaurant 1

Wednesday 4 March

17:01

EW gauge bosons

Session | Location: CERN, Restaurant 1

17:01-17:02

Study of vector boson scattering and search for new physics in events with two same-sign leptons and two jets with CMS

Speaker

Andrew Michael Levin

17:02-17:03

Electroweak physics in the forward region at LHCb

Speaker

Marek Sirendi

19:00
